The documents include updates to certain terms related to the scope and parameters of the ELL/EGSL RFP as compared to the draft ELL/EGSL RFP documents posted on the ELL/EGSL RFP website on July 27, 2015 and information provided at the August 17, 2015 Bidders Conference. To the extent differences exist, the final ELL/EGSL RFP documents will control. Unless otherwise instructed, Bidders should rely on the final ELL/EGSL RFP documents and ESI responses to Bidder questions in developing their proposals.**
