## APPENDIX F

### CREDIT/COLLATERAL REQUIREMENTS

This Appendix F contains a brief overview of the credit evaluation procedures expected to be utilized during the overall proposal evaluation process. These procedures seek to assure that Seller's credit quality, when considered in the context of Bidder's proposal to ESI, complies with Entergy's corporate risk management standards, and that any requirement for credit support associated with the proposal is identified.

#### A. Requirements for Proposal Submission

For purposes of ESI's credit evaluation procedures, a conforming proposal must include the information requested in Section 7 of Appendix C-1 or Section 4 of Appendix C-2, as applicable, for Seller and any Credit Support Provider, including, if financial information is consolidated with other entities, all data related to Seller or Credit Support Provider that must be extracted and submitted as separate documents by Bidder according to Section 2.3 of the Main Body. If the information Bidder provides in support of a proposal falls below the Credit Assessment Threshold Requirements for credit (as specified in Section 2.3 of the Main Body), Bidder must, upon ESI's request, provide reasonable evidence of Seller's ability to provide the credit support required to meet this RFP's credit support requirements.

#### B. Determination of Credit Support Requirements

The Credit Evaluation Team ("CET") will apply its own internal procedures to determine, for each Bidder who submits a proposal, the "**CET Credit Rating**" of Seller. These procedures include, without limitation, a credit analysis of financial statements utilizing, among other things, leverage, liquidity, and profitability metrics. If Seller has a Published Credit Rating, the CET Credit Rating will, in most cases, be equivalent to such Published Credit Rating.

Based on Seller's CET Credit Rating, the CET will determine how much credit support Seller will be required to provide initially under the Definitive Agreement, if entered into by Seller and ETI. For rough guidance, a Seller with a CET Credit Rating equivalent to BB+ or below from S&P or Ba1 or below from Moody's will initially be required to provide credit support in the amount set forth in the table below for each MW of nameplate capacity allocated to Buyer under the applicable Definitive Agreement, depending on the length of the Delivery Term:

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

<u>Length of Delivery Term</u>	<u>\$ per MW of Nameplate Capacity Allocated to Buyer</u>
3-5 years (Limited-Term RFP)	\$50,000-100,000/MW*
10-20 years (Long-Term RFP)	\$150,000-\$200,000/MW*

\* If Bidder proposes a Developmental Resource, the stated amounts may be increased (by an amount not to exceed double the applicable stated amount) depending on the status, technology, development risks, and other aspects of the proposed Developmental Resource.

(For tolling arrangements arising out of this RFP, Seller may be required to post additional security to cover costs that may arise from any natural gas transportation or supply agreement entered into by ESI or ETI to support the generation resource in the event of Seller's default.) Sellers with higher CET Credit Ratings will get credit towards these amounts that may reduce or eliminate the requirement for such Sellers to initially provide credit support under the Definitive Agreement.

Required credit support could take the form of:

- a parent guaranty
- a letter of credit from a bank acceptable to ESI
- cash collateral
- a lien on the power generation project and/or other assets
- other forms of credit support suggested by Bidder
- combinations of the foregoing.

The form and substance of any credit support by or on behalf of Seller must be acceptable to ESI in its sole discretion.

For Credit Support Providers, the CET will undertake a similar process. Seller will get credit toward its credit support requirements for the credit support provided by such Credit Support Provider if the CET Credit Rating for such Credit Support Provider meets the requirements for such type of credit support. For rough guidance, a Credit Support Provider that is the direct or indirect parent of Bidder and has a CET Credit Rating equivalent to BBB- or higher from S&P and Baa3 or higher from Moody's will be eligible to provide a parent guaranty. The CET Credit Rating requirements are higher for a bank providing a letter of credit or holding cash collateral. In either case, the amount of credit Seller will receive toward its credit support requirements for the credit support provided by such Credit Support Provider will vary depending on the CET Credit Rating of such Credit Support Provider.

If a Seller's or Seller's Credit Support Provider's CET Credit Rating is sufficiently reduced at any time or Buyer has reasonable grounds for insecurity regarding the payment or performance of an obligation under the Definitive Agreement during the term of the Definitive Agreement, Buyer will have the right to require that additional credit support (or, if such Seller did not initially provide credit support, an initial amount of credit support) be provided by such

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

Seller at that time. Conversely, credit support may be returned to Seller if its CET Credit Rating improves sufficiently during the term of the Definitive Agreement.

With respect to any credit support that does not involve a Credit Support Provider (such as a lien on assets), the CET will apply its own internal procedures to determine the credit Bidder will get toward its credit support requirements for such credit support. Such amount will be discussed with Bidder as part of the credit support discussion if such Bidder is selected for the applicable Primary Selection List and/or the applicable Secondary Selection List.

### **C. Minimum Requirements-Based Credit Support**

The VAT will notify the CET whether one or more Bidders have submitted proposals in which the Developmental Resource or the proposal fails to meet one or more of the Minimum Requirements set forth in Appendix D. After receipt of such notice, the CET may require Bidder to post a letter of credit, generally in the form described herein [the draw conditions will be modified as provided in Exhibit 2 to Annex F-1 below], of up to \$5 million, within 30 days after Bidder's receipt of notice of such requirement. The amount of the letter of credit will be determined by the CET, with input from the VAT, and in consultation with the IM. The letter of credit must be issued by a U.S. commercial bank or the U.S. branch office of a foreign bank that (in either case) has a Published Credit Rating of at least A- from S&P and A3 from Moody's and that has total assets of at least \$10 billion. If Bidder's proposal(s) supported by the letter of credit are eliminated from consideration in this RFP or otherwise do not result in an LOI, the letter of credit will be returned to the posting party within thirty (30) days after such date, provided that if ESI, as agent for ETI, has determined, in its good faith judgment, that ESI, as agent, has or may have a right to draw under the terms of the letter of credit, ESI will notify Bidder thereof in writing within thirty (30) days after such date and, subject to the following sentence, will not be required to cause the letter of credit to be returned to the posting party until ESI, as agent, has determined not to draw under the letter of credit. If ESI has provided such notice, but has neither drawn an amount under the letter of credit on or before five (5) months of such notice nor notified Bidder that it has elected not to draw under the letter of credit, then ESI will cause the letter of credit to be returned to the posting party no later than ten (10) days after the expiration of such five (5)-month period.

### **D. Bidder Selection**

A Bidder whose proposal is selected to the applicable Primary Selection List or the applicable Secondary Selection List is expected to be invited to discuss with the CET the CET Credit Rating of Seller proposed for such Bidder and asked to indicate the type of credit support Seller desires to provide in order to meet the RFP's credit support requirements. During such discussions, ESI will also discuss with Bidder the CET Credit Rating for any Credit Support Provider and the value determined by the CET with respect to any proposed credit support that does not involve a Credit Support Provider. While credit support will not, except as provided in Section C above and Section E below, need to be posted until the execution of the Definitive Agreement, Bidder's proposal may be eliminated from further consideration if, at the time of such discussions, Bidder either fails to describe adequately its strategy for providing (or does not

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

have an adequate strategy), or communicates an unwillingness or inability to provide, the required credit support. Further, while ESI reserves the right to move forward with any Bidder unwilling to offer satisfactory credit support, ESI will be reluctant to select any proposal from any such Bidder unless the proposal, even without satisfactory credit support, is clearly superior to proposals for similar product offerings.

Finally, please note that, in the selection of Bidders for the applicable Primary Selection List and the applicable Secondary Selection List, the CET may establish limits for the aggregate amount of exposure (pursuant to this RFP plus existing transactions) of ETI to a Seller or to certain groups of suppliers, including groups that are supported by the same Credit Support Provider and groups with weak CET Credit Ratings. These limits may be taken into account in the CET's evaluation of proposals.

#### **E. LOI Execution and Contract Negotiation**

Any Bidder notified that its proposal has been selected for final negotiation (and, if different from Bidder, the proposed Seller) may be required by Buyer to enter into an LOI setting forth and/or addressing key terms and conditions of the proposed Transaction. Upon execution of the LOI, Bidder or Seller (as applicable) will be required to provide to ESI or its designee (i) a letter of credit in the amount of \$2 million plus (ii) if, at the time of execution of the LOI, Bidder fails or continues to fail to meet one or more of the Minimum Requirements found in Appendix D, an additional amount, to be determined by the CET, with input from the VAT, of up to \$5 million. The incremental amount in clause (ii) above will not duplicate amounts posted pursuant to Section C above and will be a function of the number, severity, and other aspects of the failures to meet the Minimum Requirements. The letter of credit must be issued by a U.S. commercial bank or the U.S. branch office of a foreign bank that (in either case) has a Published Credit Rating of at least A- from S&P and A3 from Moody's and that has total assets of at least \$10 billion and will be in a form substantially similar to the form letter of credit attached as Annex F-1. If Bidder puts in place a letter of credit pursuant to Section C and enters into an LOI with Buyer, it is expected that the existing letter of credit would be modified to reflect the new principal amount due under this Section E and the new draw conditions that would apply. If the existing letter of credit is not modified, however, and a new and separate letter of credit is posted in support of the LOI, the incremental amount in clause (ii) above will not duplicate the amounts that are subject to the existing letter of credit.

The statements contained in this RFP are made subject to the Reservation of Rights set forth in Appendix E of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.
