Appendix E

Credit Collateral Requirements

This Appendix E contains a brief overview of the rules and processes for credit evaluations in the RFP, certain proposal submission requirements related to credit, and key credit support terms for any Definitive Agreement arising out of the RFP.¹ The rules and procedures seek to assure, first, that Seller's credit quality, when considered in the context of a Bidder's proposal to ELL, complies with Entergy's corporate risk management standards for RFPs, and second, that any requirement for material credit support associated with the proposal is made known to Bidder in advance and can be appropriately considered in the preparation and evaluation of the proposal. Bidders are advised that, as support for the second objective, and to help avoid protracted negotiations on credit support matters after proposal selection and reduce transaction execution risk, Section C significantly restricts Bidder's authority to take special exceptions to the terms of this Appendix E.

A. Requirements for Bidder Proposal Submission.

As part of the Bidder Proposal Submission Process, Bidder is required to include in the Proposal Package for each proposal (i) the most recent Published Credit Rating from S&P and Moody's of Bidder (or, if different from Bidder, Seller), to the extent such a rating exists; (ii) the annual audited financial statements for the past two (2) years and the current year reviewed quarterly financial statements of Bidder (or, if different from Bidder, Seller), each of which needs to include the auditor's opinion and notes to the financial statements, the balance sheet, the income statement, and the cash flow statement; (iii) the credit information regarding Seller in this Appendix E, to be provided in the Proposal Package; and (iv) a fully completed certificate, in substantially the form attached hereto as Annex E-1, executed by a Treasury Officer.

If financial data and information of Bidder or Seller that are required to be provided pursuant to this Appendix E are consolidated with that of another Person, all such data and information must be extracted and segregated from the consolidated data and information and included as a separate pdf document (as Attachment 1 to the Proposal Package, if the data or information is required as part of the Proposal Submission Process).

The CET may utilize Bidder's credit-related materials and information described in this Section A or otherwise provided by Bidder pursuant to this Appendix E or the RFP in connection with its evaluation of Bidder's proposal(s), as more particularly described in Section 4.1.6 of the Main Body.

¹ **NTD:** This Appendix E assumes that the Transaction for which credit support will be required under this Appendix E is not based on a proposal for a Pending Existing Resource (as defined in the RFP). If the Transaction is based on a proposal for a Pending Existing Resource, additional terms and other modifications to the credit support terms in this Appendix E (including, possibly, credit support mounts and milestones) may be required for the Transaction and, upon prior notice to Bidder, may be required to be reflected in Bidder's final pricing for the proposal and Credit Certifications hereunder. See Section 2.4 of the Main Body of the RFP for more information.

The statements contained in this Appendix E are made subject to the Reservation of Rights set forth in Appendix D of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

B. Liquid Credit Support Requirements.

1. Form. As noted in Section A above, the Definitive Agreement will require Seller to provide liquid credit support for its obligations. For PPA, Toll, and standalone Capacity Credit purchase Transactions and for the Acquisition Transactions during the period from execution of the Definitive Agreement through the Closing, Seller will be required to post and maintain a letter of credit meeting the requirements of the RFP and the Definitive Agreement. For Acquisition Transactions during the period from and after the closing of the Acquisition (“Closing”), Seller may satisfy its liquid credit support obligations by, at its election, providing (i) up to two (2) letters of credit, (ii) a cash holdback (where ELL withholds a portion of the purchase price from its Closing payment to Seller in lieu of a letter of credit), or (iii) some combination of the security described in clause (i) and (ii).

If Bidder submits a proposal for an Acquisition Transaction, Bidder must specify in the Proposal Submission Template which of the three permitted post-Closing liquid credit support options it has elected for such proposal. If Bidder has elected to provide post-Closing liquid credit support for an Acquisition Transaction through a combination of letter of credit and cash holdback, Bidder must also specify in the Proposal Submission Template the percentage that will be supplied via letter of credit and the percentage via cash holdback (which must total to 100% of the post-Closing liquid credit support obligation). The percentage of post-Closing liquid credit support between cash holdback and letter of credit will be fixed for the entire period that Seller is obligated to provide post-Closing liquid credit support.

Any letter of credit provided pursuant to the Definitive Agreement must be substantially similar in all material respects to the form letter of credit attached as Annex E-2. In addition, the letter of credit must be issued and maintained during its term by a U.S. commercial bank or the U.S. branch office of a foreign bank that, in either case, has a Published Credit Rating of at least A- from S&P and A3 from Moody’s and total assets of at least \$10 billion (an amount subject to periodic adjustment in longer term PPAs, Tolls, and standalone Capacity Credit agreements. Seller may provide and have in effect at any given time up to two (2) conforming letters of credit to satisfy its letter of credit obligations to Buyer.

2. Amount. Seller will be required to provide liquid credit support within three (3) Business Days after execution of the Definitive Agreement. The amount of liquid credit support that Seller must provide during the term of the Definitive Agreement will be adjusted at various milestone dates, as specified in the Definitive Agreement. The tables below show key milestones for the liquid credit support requirement (each, a “**Letter of Credit Milestone**” (PPAs, Tolls, and standalone Capacity Credit Transactions) or a “**Liquid Credit Support Milestone**” (Acquisitions) and the corresponding amount of the liquid credit support required to be in effect (each, the “**Required Letter of Credit Amount**” (PPAs, Tolls, and standalone Capacity Credit Transactions or the “**Required Liquid Credit Support Amount**” (Acquisitions)).

a. PPAs and Tolls. Table 1 provides key Letter of Credit Milestones for the PPA and Toll transactions and the associated Required Letter of Credit Amounts. The Required Letter of Credit Amounts are not subject to adjustment for inflation or the time value of money over the term of the PPA or Toll.

The statements contained in this Appendix E are made subject to the Reservation of Rights set forth in Appendix D of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

<i>Table 1. PPA and Toll Letter of Credit</i>	
Letter of Credit Milestone	Required Letter of Credit Amount
Execution of Definitive Agreement	$\$10,000/\text{MW} \times \text{the Contract Capacity (MW)} \times \text{the number of Contract Years} \times \text{the Season Adjustment Factor} \times \text{the Execution Date Adjustment Factor}$, subject to the following: The minimum Required Letter of Credit Amount is \$50,000. The maximum Required Letter of Credit Amount is \$10,000,000.
Receipt of Required Regulatory Approvals (or Buyer's Waiver of its Regulatory Approval Condition)	$\$10,000/\text{MW} \times \text{the Contract Capacity (MW)} \times \text{the number of Contract Years} \times \text{the Season Adjustment Factor}$, subject to the following: The minimum Required Letter of Credit Amount is \$50,000.
Definitive Agreement Expiration + 270 days	\$0, <u>plus</u> the amount of any and all pending claims of Buyer against Seller, capped at the aggregate undrawn letter of credit amount(s) on the 270 th day after the PPA or Toll Definitive Agreement expires. If there are no pending claims at this milestone date, the letter of credit will be returned to Seller.

Solely for purposes of Table 1:

“Contract Capacity” means the Dependable Capacity Allocated to Buyer set forth in the applicable Definitive Agreement (which is expected to be as proposed in Bidder’s proposal giving rise to the Definitive Agreement).

“Contract Year” means, for the applicable Definitive Agreement, (i) the period beginning on the first day of the Delivery Term and ending on (and including) the day before the first anniversary of such first day and (ii) each successive period of twelve (12) months thereafter until the expiration of the Delivery Term. To ensure clarity, if the final portion of the Delivery Term in the final Contract Year is less than a full twelve (12) months, the twelve (12)-month period that includes such final portion of the Delivery Term is a Contract Year.

A downward adjustment to the Required Letter of Credit Amount will occur if, as of the effective date of the applicable Definitive Agreement, the Delivery Term excludes one or more Seasons within the Delivery Term, or more than 50% of the days in any such Season, from Seller’s Product delivery obligations during the Delivery Term (each an **“Excluded Season”**). Each Excluded Season has a **“Reduction Factor”**, as set forth below:

The statements contained in this Appendix E are made subject to the Reservation of Rights set forth in Appendix D of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

0.450 if the Excluded Season is the Summer Season;
0.175 if the Excluded Season is the Fall Season;
0.175 if the Excluded Season is the Winter Season; and
0.200 if the Excluded Season is the Spring Season.

For any Contract Year in the Delivery Term, the “**Season Adjustment Factor**” will be an amount equal to (i) 1.00 minus (ii) the sum of the Reduction Factors for each Excluded Season (if any) in such Contract Year.

The “**Execution Date Adjustment Factor**” is 0.20.

b. Standalone Capacity Credit Transactions. Table 2 provides key Letter of Credit Milestones for standalone Capacity Credit Transactions and the associated Required Letter of Credit Amounts. The Required Letter of Credit Amount specified equals the amount that must be in place on the associated Letter of Credit Milestone. The Required Letter of Credit Amounts are not subject to adjustment for inflation or the time value of money over the term of the standalone Capacity Credit Transaction.

<i>Table 2. Capacity Credit Transactions</i>	
Letter of Credit Milestone	Required Letter of Credit Amount
Execution of Definitive Agreement	<p>\$3,300/MW x the Contract Capacity (MW) x the number of Contract Years x the Season Adjustment Factor x the Execution Date Adjustment Factor, subject to the following:</p> <p>The minimum Required Letter of Credit Amount is \$5,000.</p> <p>The maximum Required Letter of Credit Amount is \$4,000,000.</p>
Receipt of Required Regulatory Approvals (or Buyer’s Waiver of its Regulatory Approval Condition)	<p>\$3,300/MW x the Contract Capacity (MW) x the number of Contract Years x the Season Adjustment Factor, subject to the following:</p> <p>The minimum Required Letter of Credit Amount is \$5,000.</p>
Definitive Agreement Expiration + 90 days	<p>\$0, <u>plus</u> the amount of any and all pending claims of Buyer against Seller, capped at the aggregate undrawn letter of credit amount(s) on the 90th day after the Definitive Agreement expires. If there are no pending claims at this milestone date, the letter of credit will be returned to Seller.</p>

The statements contained in this Appendix E are made subject to the Reservation of Rights set forth in Appendix D of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

Solely for purposes of Table 2:

“**Contract Capacity**” means the quantity of Capacity Credits to be delivered by Seller to Buyer pursuant to the Definitive Agreement for one or more specified Seasons of a given MISO planning year (which is expected to be as proposed in Bidder’s proposal giving rise to the Definitive Agreement).

Notwithstanding anything to the contrary, “**Contract Year**,” and “**Season Adjustment Factor**” (along with the related terms “**Excluded Season**” and “**Reduction Factor**”) have the meanings given such terms, and the methodologies and calculations to determine the Season Adjustment Factor for standalone Capacity Credit Transactions is as provided, in the description of the Required Letter of Credit Support Amount for PPAs and Tolls in Section (B)(2)(a) above.

c. Acquisitions. Table 3 provides key Liquid Credit Support Milestones for an Acquisition and the associated Required Liquid Credit Support Amounts.

<i>Table 3. Acquisition Agreement Liquid Credit Support</i>	
Liquid Credit Support Milestone	Required Liquid Credit Support Amount
Closing	15% of the estimated Purchase Price as of the Closing
One-year Anniversary of the Closing	10% of the estimated Purchase Price, <u>plus</u> the amount of any pending indemnity claims of Buyer or its group, <u>provided</u> that such pending claims will not increase the required amount of the liquid credit support above the required amount of the liquid credit support on the Closing less any amounts drawn on such letter of credit after the Closing
Two-year Anniversary of the Closing	5% of the estimated Purchase Price <u>plus</u> the amount of any pending indemnity claims of Buyer or its group, <u>provided</u> that such pending claims will not increase the required amount of the liquid credit support above not increase the required amount of the liquid credit support on the 12-month anniversary of the Closing less any amounts drawn on such letter of credit after such 12-month anniversary of the Closing

The statements contained in this Appendix E are made subject to the Reservation of Rights set forth in Appendix D of this RFP and the terms and acknowledgements set forth in the Proposal Submission Agreement.

Three-year Anniversary of the Closing	<p>If there are no pending claims of Buyer or its group at such time, then the letter of credit will be returned to Seller.</p> <p>If there are pending claims of Buyer or its group at such time, the letter of credit will be adjusted to the amount of such pending claims, <u>provided</u> that the required amount of the letter of credit will not exceed the required amount of the letter credit on the 24-month anniversary of the Closing less any amounts drawn on such letter of credit after such 24-month anniversary of the Closing</p>
