Bidders Conference

The Bidders Conference is currently scheduled at 8:30 a.m. – 10:00 a.m. CPT on April 16, 2024. ESL encourages Bidders to submit RFP-related questions they desire to have addressed at the Bidders Conference in writing to the Bid Event Coordinator via the RFP inbox (eslrfp@entergy.com) and the Independent Monitor via email (IM-2024ESLRFP@acciongroup.com) in advance of the Bidders Conference. In order to allow ESL and ETI adequate time to prepare their responses for presentation at the Bidders Conference, we ask that questions be submitted no later than April 9, 2024. Questions submitted after April 9, 2024, may not be addressed during the Bidders Conference. However, written responses to questions not addressed during the conference will be provided and, subject to limited exceptions, posted on the RFP website's "QA" section, along with those addressed during the conference.

Logistical information concerning the Bidders Conference is provided below:
Date: April 16, 2024
Time: 8:30 a.m. – 10:00 a.m. CPT
Dial-in/Webex Meeting Information: *Will be provided upon bidder registration.*

Bidders are strongly encouraged (but not required) to participate in the Bidders Conference. After the conference, ESL will post the written materials presented during the Bidders Conference to the RFP website (https://spofossil.entergy.com/ENTRFP/SEND/2024ETIExistingResourceRFP/Index.htm). The posted materials may not duplicate all of the information made available at the Bidders Conference. In addition, ESL will provide written responses to all questions submitted before, during, and after the Bidders Conference and will post the questions and answers on the RFP website under the QA tab.

ESL requests that participating organizations register for the Bidders Conference with the Bid Event Coordinator, by electronic mail, no later than April 15, 2024, via the RFP inbox (eslrfp@entergy.com). The registration notice should specify the name of the participating organization, as well as the name, title, and contact telephone number(s) of each individual representing the participating organization during the Bidders Conference. Once the Bid Event Coordinator receives a registration notice for a conference participant, the Bid Event Coordinator will provide the dial-in/Webex meeting details to the registered participant(s).

Please monitor the RFP website for further information. Thank you for your interest in the RFP.
