2025 Request for Proposals

for

Battery Energy Storage Systems

for

Entergy Louisiana, LLC

Entergy Services, LLC
December 22, 2025

APPENDIX A GLOSSARY

The following terms, when used in the RFP (other than in the model contracts appended to the Main Body), with initial letters capitalized, have the meanings set forth below, unless the context otherwise requires:

“2025 ELL BESS RFP” or “RFP” means the 2025 Request for Proposals for Battery Energy Storage Systems for Entergy Louisiana, LLC (including all Appendices and other attachments thereto).

“2025 ELL BESS RFP Website” has the meaning given that term in the Main Body.

“AC” means alternating current.

“Accounting Evaluation Team” or “AET” means the group of Persons responsible for the assessment of the accounting treatment of ESA transactions and BOT transactions proposals received in the RFP and the accounting implications of the proposed Definitive Agreements.

“Affiliate” means, with respect to any specified Person, any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified Person. For purposes of this definition, “control” (including, with correlative meanings, the terms “controlling,” “controlled by,” and “under common control with”), as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such Person, whether through the ownership of voting securities or interests having voting power, by agreement, or otherwise.

“Affiliate Rules” are the set of rules and regulations listed in Section 7 of the Appendix G to which all employees of ESL, Entergy Operating Company, and Entergy Competitive Affiliate must adhere to.

“ASC” means the Accounting Standards Codification.

“Balancing Authority” means the entity that integrates resource plans ahead of time, maintain load-interchange-generation balance within a balancing authority area, and supports interconnection frequency in real time, and is more fully described in the Model BESS ESA included in the RFP as Appendix C.

“BESS” has the meaning given that term in the Main Body.

“Bid Event Coordinator” means the individual identified in Section 1.5 of the Main Body (or any successor to such individual) who, among other things, (i) acts as a liaison between the participants in the RFP and ELL on all RFP-related matters, (ii) ensures that Bidder RFP-related questions that ESL receives are addressed in an appropriate manner, (iii) receives, records, and maintains Bidder proposals throughout the RFP, (iv) works with the IM throughout the RFP, and (v) manages other administrative matters relating to the RFP.

“Bidder” means a Person that submits (or, prior to the applicable due date, intends or expects to submit) a proposal in response to the RFP, or any group of Persons having a pre-existing

APPENDIX A GLOSSARY

contractual relationship, that submits jointly (or, prior to the due date, intends or expects to submit jointly) a proposal in response to the RFP based on such pre-existing contractual relationship. A group of Persons that has jointly developed a proposal pursuant to the procedures set forth in the Main Body may also be a “Bidder.”

“Bidder ID” means the unique identifier given to a Bidder in connection with the RFP.

“Bidder Registration Agreement” means the document included as the Bidder Registration Agreement in the RFP.

“Bidder Registration Deadline” has the meaning given that term in the Main Body. The Bidder Registration Deadline as of the date of issuance of the RFP is specified in Table 2 of the Main Body and is subject to change.

“Bidder Registration Form” means the Excel sheet included as the Bidder Registration Form in the RFP.

“Bidder Registration Period” means the period beginning at the Bidder Registration Start Date and ending at the Bidder Registration Deadline.

“Bidder Registration Process” means the process of filling in and submitting via PowerAdvocate the required documentation for Bidder to register proposals for submission in the RFP.

“BOT” has the meaning given that term in the Main Body.

“Business Day” means any day except Saturday, Sunday, or, with respect to the scheduling, bidding, and/or offering of power, a holiday as defined by the North American Electric Reliability Council or any successor organization thereto or, with respect to payments and all other matters, a holiday observed by Federal Reserve Banks in New York, New York. For notice purposes, a Business Day shall begin at 8:00 a.m. and end at 5:00 p.m. Central Prevailing Time.

“Buyer” means ELL.

“Capacity” means the MW output that the relevant facility is capable, as of a given moment, of producing and making available, taking into account the operating condition of the facility, the facility’s auxiliary Energy requirements, solar irradiance, temperature and relative humidity conditions, losses, and other relevant factors at such time.

“Capacity-Related Benefits” means any benefit associated with the Contract Capacity, including any ZRCs, other capacity credits, and similar rights and benefits, but excluding Contract Energy, Other Electric Products, and Environmental Attributes.

“Capacity Resource” has the meaning given that term in the MISO Rules.

“Charging Transmission Service” means the reservation of capacity on the transmission system required under the MISO Rules for the facility to charge from the grid.

APPENDIX A GLOSSARY

“Closing” has the meaning given that term in the Main Body.

“Code” has the meaning given that term in the Main Body.

“Cost Recovery Risks” has the meaning given that term in the Main Body.

“CPT” and “Central Prevailing Time” means the local time in Louisiana.

“Credit Evaluation Team” or “CET” means the group of Persons responsible for assessment of the potential credit risks and attendant collateral requirements and credit costs pertaining to each proposal received in the RFP.

“Definitive Agreement” means a legally binding agreement, mutually executed and delivered by authorized representatives of Buyer and Bidder (or Seller), arising out of a proposal submitted by Bidder in the RFP and setting forth the definitive terms and conditions of a BOT acquisition or ESA transaction contemplated by the RFP. For the avoidance of doubt, a “Definitive Agreement” does not include a letter of intent, memorandum of understanding, or any other similar preliminary written agreement or document with respect to the Transaction, or any acceptance, written, oral, or other, of any offer or proposal.

“Definitive Planning Phase” or “DPP” means the final phase of MISO’s generator interconnection study process, during which MISO conducts reliability and deliverability studies that determine whether there is available transmission capacity to accommodate the interconnection of a new, proposed generation facility or whether network upgrades are needed. Under this process, MISO conducts a system impact study in each of the three DPP phases to account for project withdrawals and to refine and update its analysis.

“Delivery Term” means the contract term for deliveries of Capacity, Energy, Capacity-Related Benefits (such as ZRCs), Other Electric Products, and Environmental Attributes from Seller to Buyer under a Definitive Agreement that is an ESA. The Delivery Term will begin on the Delivery Term Commencement Date, as defined in the Model BESS ESA.

“Due Diligence Questionnaire” means the Appendix D – Preliminary Due Diligence List Questionnaire.

“Economic Evaluation Team” or “EET” means the group of Persons responsible for the economic assessment of the proposals received in the RFP.

“ELL” has the meaning given that term in the Main Body.

“ELL-Allocated Cost Recovery Risks” has the meaning given that term in the Main Body.

“ELL Load Node” means the “Energy Financial Delivery Point,” as defined in the Model BESS ESA included as Appendix C to the RFP, which is the Commercial Pricing Node (as defined in the MISO Rules) included in the Commercial Model (as defined in the MISO Rules) for Entergy Louisiana, LLC’s load (or the equivalent thereof recognized by the Balancing Authority applicable

APPENDIX A GLOSSARY

to the Delivery Portion (as defined in the ESA)). As of the Effective Date, the Energy Financial Delivery Point is EES.ELILD.

“Electrical Interconnection Point” means the physical point at which the Facility interconnects to the host Utility’s transmission system.

“Eligible Participants” has the meaning given that term in the Main Body.

“Eligible Resources” has the meaning given that term in the Main Body.

“Energy” means electric energy of the character commonly known as three-phase, sixty-hertz electric energy.

“Energy Resource Interconnection Resource” and “ERIS” means an interconnection service under the MISO Tariff that allows the interconnection customer to connect its generating facility to the MISO transmission system or distribution system, as applicable, to be eligible to deliver the generating facility’s electric output using the existing firm and non-firm capacity of the transmission system on an available basis.

“Entergy Competitive Affiliate” means Entergy Power, LLC; EWO Marketing, LLC; EAM Nelson Holding, LLC; and RS Cogen, LLC; Entergy Nuclear Palisades LLC; Entergy Nuclear Indian Point 2, LLC; Entergy Nuclear Indian Point 3, LLC; and Entergy Nuclear Power Marketing, LLC, as well as service company personnel who perform any market or generation function on behalf of these Affiliates.

“Entergy Operating Companies” means the regulated electric utilities owned, directly or indirectly, by Entergy Corporation. As of the date of the RFP, the Entergy Operating Companies are Entergy Arkansas, LLC, Entergy Louisiana, LLC, Entergy Mississippi, LLC, Entergy New Orleans, LLC, and Entergy Texas, Inc.

“Entergy Regulated Affiliate” means ESL, Entergy Operations, Inc., any of the Entergy Operating Companies or System Energy Resources, Inc.

“Entergy Transmission System” means the interconnected group of transmission lines and substations owned or leased by the Entergy Operating Companies that are used to transfer bulk electricity between supply and delivery points.

“Environmental Attributes” means any and all claims, credits, benefits, emissions reductions, offsets, and allowances, howsoever entitled, resulting from the avoidance of the emission of any gas, chemical, or other substance to the air, soil, or water.

“EPC” has the meaning given that term in the Main Body.

“ESA” has the meaning given that term in the Main Body.

APPENDIX A GLOSSARY

“ESL” means Entergy Services, LLC (including its successors and assigns).

“Evaluation Team” means the group of individuals responsible for evaluating one or more aspects of the proposals (or specific components thereof) submitted in response to the RFP. Most of the Evaluation Teams will consist primarily of members of ESL. The Evaluation Teams consist of the Economic Evaluation Team, the Transmission Evaluation Team, the Viability Assessment Team, the Accounting Evaluation Team, and the Credit Evaluation Team, all as more particularly described in the Main Body has the meaning given that term in the Main Body.

“FASB” has the meaning given that term in the Main Body.

“FERC” means the Federal Energy Regulatory Commission or any successor thereto.

“Final Completion” has the meaning set forth in the Model BESS BOT Agreement.

“FNTP” means a full notice for Seller to proceed with construction of the facility under a Definitive Agreement that is a BOT acquisition agreement, as more particularly described in the Model BESS BOT Agreement.

“GIA” means the Generator Interconnection Agreement specific to the project by and among Seller, transmission owner, and MISO.

“Government Guidance” has the meaning given that term in the Main Body.

“Governmental Authority” means any federal, state, regional, municipal, local, foreign, or other governmental body, any governmental, quasi-governmental, regulatory or administrative agency, commission, subdivision, body or other authority (including FERC, any ERO, any market monitor, any Balancing Authority and any other Transmission Provider) exercising or entitled to exercise any administrative, executive, judicial, legislative, police, policy, regulatory, taxing authority or power over the matters specified, or if such matters are not specified, over Seller, Buyer, or Entergy Corporation, each to the extent related to any matter relating to the Transactions, and each as applicable, or any court or governmental tribunal.

“Guaranteed Commercial Operation Date” has the meaning set forth in the Model BESS ESA.

“Guaranteed Substantial Completion Date” has the meaning set forth in the Model BESS BOT Agreement.

“Independent Monitor” or “IM” means the independent consulting firm retained by ELL to act as the independent monitor for this RFP.

“Injection Point” means the Electric Interconnection Point for resources located in MISO.

“ITC” has the meaning given that term in the Main Body.

“kW” means kilowatt, a unit of electrical power equal to one thousand watts.

APPENDIX A GLOSSARY

“LPSC” means the Louisiana Public Service Commission.

“LRZ” means Local Resource Zone (as defined in the MISO Rules).

“LRZ-9” has the meaning given that term in the Main Body.

“Main Body” means the document generally describing the RFP and to which eight (8) Appendices are attached.

“Market Participant” means a legal entity certified by MISO to submit bids to purchase Energy, submit offers to supply Energy and operating reserve, hold financial transmission or auction revenue rights, and conduct other market-related activities under the MISO Tariff.

“Mechanical Completion” has the meaning set forth in the Model BESS BOT Agreement.

“MISO” means Midcontinent Independent System Operator, Inc.

“MISO Planning Year” has the meaning set forth in the Model BESS ESA.

“MISO Rules” means the policies, rules, guidelines, procedures, protocols, standards, criteria, instructions, directives and requirements of MISO, including the MISO Tariff and MISO’s Business Practice Manuals.

“MISO Tariff” means the Open Access Transmission, Energy and Operating Reserve Market Tariff of MISO filed at FERC.

“Model BESS BOT Agreement” has the meaning given that term in the Main Body and means the document included in the RFP as Appendix B-1.

“Model BESS Scope Book” as the meaning given that term in the Main Body and means the document included in the RFP as Appendix B-2.

“Model BESS ESA” has the meaning given that term in the Main Body and means the document included in the RFP as Appendix C.

“MW” means megawatt, a unit of electrical power equal to one million watts or one thousand kilowatts.

“Network Resource Interconnection Service” and “NRIS” means an interconnection service under the MISO Tariff that allows the interconnection customer to integrate its generating facility with the transmission system in the same manner as for any generating facility being designated as a network resource. NRIS includes any network resource interconnection service established under an agreement with, or the tariff of, a transmission owner prior to the integration into MISO that is determined to be deliverable through the integration deliverability study process.

APPENDIX A GLOSSARY

“Network Integrated Transmission Service” and “NITS” means Network Integration Transmission Service (as defined in the MISO Rules).

“Network Upgrades” and “NU” has the meaning set forth in MISO’s standard Generator Interconnection Agreement, and generally means the additions, modifications, and upgrades to the transmission system required at or beyond the point at which the interconnection facilities connect to the transmission system to accommodate the interconnection of the generating facility to the transmission system.

“Other Electric Products” means reactive power production, reactive power absorption, voltage control, regulation and frequency response, Energy balancing, load following, reserves and any other services, capabilities or products (including ancillary services, but excluding Capacity-Related Benefits and Environmental Attributes) available from or associated with Contract Capacity and/or Contract Energy.

“Person(s)” means any individual, governmental authority, corporation, limited liability company, partnership, limited partnership, trust, association, bank, financial institution, fund or other entity.

“Physical Delivery Point” means the Electric Interconnection Point.

“PowerAdvocate” means the software tool utilized by ESL and Bidder after Bidder Registration for ESL to send RFP updates and documents to Bidder, for Bidder to submit to ESL its Proposal Package(s), and for ESL and Bidder to communicate with each other regarding the RFP, as defined in Section 1.4 of the Main Body.

“Primary Selection List” means a final list setting forth the proposal(s) selected for immediate negotiation of Definitive Agreement(s).

“Products” means the Capacity, Energy, Capacity-Related Benefits, Other Electric Products, and Environmental Attributes from an Eligible Resource.

“Proposal ID” means the unique identifier given to a proposal submitted by Bidder in connection with the RFP.

“Proposal Package” means a completed Proposal Submission Template, completed responses to Appendix D and related attachments, and certain other documents, including, without limitation, an executed Proposal Submission Agreement, as more fully described in Section 4.4 of the Main Body.

“Proposal Submission Agreement” means the Proposal Submission Agreement that each Bidder is required to execute and deliver to the Bid Event Coordinator as part of the Proposal Submission Process.

“Proposal Submission Deadline” means 5:00 p.m. CPT on the date specified in the applicable RFP Schedule as the last date for Bidders (other than ELL with respect to the Self-Build Option(s) and Entergy Competitive Affiliates) to submit Proposal Packages.

APPENDIX A GLOSSARY

“Proposal Submission Fee” means the amount required to be paid by Bidder for each proposal registered by Bidder with ESL for submission and evaluation in this RFP.

“Proposal Submission Fee Payment Deadline” means the deadline for payment of Proposal Submission Fees as set out in the RFP Schedule.

“Proposal Submission Period” means the period of time in which a proposal is permitted to be submitted into the RFP as set out in the RFP Schedule.

“Proposal Submission Process” means the process Bidders are required to follow to submit proposals into the RFP and that is otherwise applicable to such proposals, as set out in Section 4.4 of the Main Body.

“Proposal Submission Template” means the document included as the Proposal Submission Template in the RFP.

“Published Credit Rating” means, with respect to any Person on any date of determination, the qualifying public issuer or debt credit rating by S&P or Moody’s as applicable, as further described in Appendix F, each as published on such agency’s respective Web page. No private or unpublished ratings will be accepted.

“PWA” has the meaning given that term in the Main Body.

“Qualifying Facility” or “QF” has the meaning ascribed to it in the Public Utilities Regulatory Policy Act of 1978.

“Resource ID” means the unique identifier given to a proposed resource bid into the RFP.

“RFP Administration Team” means the (i) the Bid Event Coordinator, (ii) the Manager of Project Management, (iii) the Manager of Advanced Economic Planning and (iv) any other Person as ESL deems necessary. The roles and responsibilities of the RFP Administration Team are set forth in Appendix G.

“RFP Schedule” means the schedule of milestones related to the RFP set forth in Section 4.1 of the Main Body, as may be modified by ESL from time to time in accordance with the RFP.

“Secondary Selection List” means a final list setting forth the proposal(s) selected for possible negotiation of Definitive Agreement(s).

“Self-Build Option” has the meaning given that term in the Main Body.

“Self-Build Option Proposal” has the meaning given that term in the Main Body.

“Self-Build Option Proposal Submission Deadline” has the meaning given that term in the Main Body.

APPENDIX A GLOSSARY

“Seller” means, with respect to any proposal submitted by Bidder in the RFP, the seller under the Definitive Agreement (if any) with Buyer resulting from such proposal.

“Shortlist” has the meaning given that term in the Main Body.

“Standalone Network Upgrades” and “SANU” has the meaning set forth in MISO’s standard Generator Interconnection Agreement, and generally means the network upgrades that may be constructed without affecting the day-to-day operations of the transmission system during their construction.

“Storage Capacity” has the meaning given that term in the Model BESS ESA.

“Storage Energy” has the meaning set forth in the Model BESS ESA.

“Storage Expected Capacity” has the meaning given that term in the Model BESS ESA.

“Substantial Completion” has the meaning given that term in the Model BESS BOT Agreement.

“Substantial Completion Date” has the meaning set forth in the Model BESS BOT Agreement.

“Substantial Completion Payment Date” has the meaning set forth in the Model BESS BOT Agreement. “Scope Book(s)” means the Model BESS Scope Book.

“Threshold Requirements” has the meaning given that term in the Main Body.

“Transmission Evaluation Team” or “TET” means the group of Persons responsible for the interconnection, deliverability, and transmission cost and risk associated with the proposals received in the RFP.

“Transmission Owner’s Interconnection Facilities” or “TOIF” has the meaning set forth in MISO’s standard Generator Interconnection Agreement, and generally means all the facilities and equipment owned by the transmission owner from the point of change of ownership to the point of interconnection, including modifications, additions, or upgrades to such facilities and equipment. Transmission Owner’s Interconnection Facilities shall not include Network Upgrades or Standalone Network Upgrades.

“Transmission Service Request” or “TSR” means the formal request submitted by Seller to MISO to reserve capacity on the transmission system for the charging of the BESS.

“Treasury Officer” has the meaning given that term in the Main Body.

“Viability Assessment Team” or “VAT” means the group of Persons responsible for the technical, environmental, and commercial assessment of the proposals received in the RFP.

“VIE” means variable interest entity.

“ZRC” means Zona Resource Credit (as defined under the MISO Rules).
