Notice of Final Results of Entergy Louisiana, LLC's Battery Energy Storage System Resources Request for Proposals

Entergy Louisiana, LLC ("ELL") has completed its evaluations under the 2025 Battery Energy Storage System Resources Request for Proposals ("2025 ELL BESS RFP"). ELL will provide additional information regarding the selected resources once the parties have finalized and executed definitive agreements.

Entergy Services, LLC ("ESL"), acting on behalf of ELL, has provided formal notifications to all Bidders whose proposals were evaluated in the RFP process.
