# Summer 2009 Long-Term RFP – Bidder Registration & Proposal Submission

ILLUSTRATIVE

\* Deadline for Bidder registration is 5:00 p.m. CPT, November 5, 2009. Phase I includes registration of Bidder, as well as, all plants and associated proposals.

\*\* Deadline for submission of all proposals is 5:00 p.m. CPT, November 19, 2009.

## Summer 2009 Long-Term RFP – Phase I: Bidder Registration Process

---

- **Bidder Registration via the RFP Web Portal is required of all Bidders.**
  - Includes registration of Bidder, as well as, all plants and associated proposals.
- **The RFP Web Portal will be available for Bidder Registration between 8:00 a.m. CPT, November 2, 2009 through 5:00 p.m. CPT, November 5, 2009.**
- **Bidders are encouraged to access the RFP Web Portal and complete the Bidder Registration Process well in advance of the deadline in order to provide adequate time to correct any errors that may be identified in the review process.**
- **Bidders must submit a correct e-mail address in order to receive confirmation e-mails.**
- **In order to complete the Bidder Registration Process, Bidders must:**
  1. Access the RFP Web Portal no earlier than 8:00 a.m. CPT, Monday, November 2, 2009 via a link that will be made available on ESI's RFP Website:
    - <https://emo-web.no.entergy.com/ENTRFP/index.htm>
  2. Follow the "Bidder Registration" link to establish a profile in the RFP Web Portal.
  3. Review the profile and e-mail address provided in the summary e-mail for accuracy.
  4. Return to the RFP Web Portal and log in to complete the electronic portion of Bidder Registration.
  5. Sign and date Bidder Registration Process Signature Page and fax or e-mail a .pdf to the RFP Administrator.
  6. Upon receipt of the Proposal Submittal Fee invoice(s), remit wire payment of such invoice(s) to ESI prior to 5:00 p.m. CPT, November 12, 2009.

**BIDDER REGISTRATION IS NOT COMPLETE UNTIL AN EXECUTED BIDDER REGISTRATION PROCESS SIGNATURE PAGE IS RECEIVED BY ESI's RFP ADMINISTRATOR, AND THE BIDDER HAS PAID ALL APPLICABLE PROPOSAL SUBMITTAL FEES.**

## Summer 2009 Long-Term RFP – Bidder Registration Confirmation

- **After creating a profile to access the RFP Web Portal, Bidder should receive an e-mail summarizing the company and contact information. (See example at right.)**
  - The e-mail also contains the Bidder ID and Signature ID (if elected). The Bidder ID should be used in conjunction with the password specified by Bidder to log back into the RFP Web Portal and continue the Bidder Registration Process.

## Summer 2009 Long-Term RFP – Proposal Submittal Fees

---

- **Proposal Submittal Fees**

- Within two (2) Business Days of receiving the executed Bidder Registration Process Signature Page, ESI will invoice Bidder, by Proposal Identification Number, the Proposal Submittal Fee that is due for each registered proposal.
  - ♦ A Bidder may submit one or more proposals, which may be alternatives to each other, but each alternative proposal will be considered a separate proposal and will require the payment by Bidder of an additional Proposal Submittal Fee.
- Bidders will be invoiced a \$5,000.00 Proposal Submittal Fee for each registered proposal
  - Combination products, as detailed in the RFP, will be invoiced \$5,000 per combination
- ***ESI must receive the Proposal Submittal Fee for each registered proposal no later than 5:00 p.m. CPT, on November 12, 2009.***
  - ♦ The RFP Administrator will confirm with Bidder once payment is received.
- Failure to submit the Proposal Submittal Fee(s) by this deadline will cause the registered proposal(s) to be rejected as non-conforming and Bidder shall not be permitted to complete the Proposal Submission Process for such registered proposal(s).

## Summer 2009 Long-Term RFP – Phase II: Proposal Submission Process

---

- The RFP Web Portal will be available for proposal submission between 8:00 a.m. CPT, November 16, 2009 through 5:00 p.m. CPT, November 19, 2009.
- Only those registered proposals for which the proposal submittal fee was paid by November 12, 2009 will be available via the RFP Web Portal for purposes of proposal submission.
- If Bidder elected to use the electronic Signature ID process, each proposal submission will contain the Proposal Submission Agreement that requires the Bidder to enter their unique Signature ID in lieu of a “wet ink” signature in order to complete the submission for a respective proposal.
- If Bidder elected not to use the electronic Signature ID process, Bidder will be provided a link to download the Proposal Submission Agreement from the ESI RFP Website. Bidder must sign and date the signature page and fax or e-mail a .pdf to the RFP Administrator for each proposal submitted prior to 5:00 p.m. CPT, on November 19, 2009.
- In addition to the information provided via the RFP Web Portal, Bidders will also be required to submit a response to Appendix H or I (as applicable) to the RFP Administrator by 5:00 p.m. CPT, on November 19, 2009.
- Bidders are encouraged to submit their proposals well in advance of the deadline to provide adequate time to correct any errors that may be identified in the electronic review process.

## Summer 2009 Long-Term RFP – Proposal Submission Confirmation

- After submitting a proposal via the RFP Web Portal, Bidder will receive a summary of the proposal in an e-mail. (See example at right.) Bidder is asked to carefully review the information and return to the RFP Web Portal to correct any inaccurate proposal submission information.
  - Bidder is also required to submit a response to Appendix H or I (as applicable) outside of the RFP Web Portal. The response is due to the RFP Administrator by 5:00 p.m. CPT, on November 19, 2009.

The following summarizes the most recent proposal submission information provided for Bidder ID **B41** and Proposal ID **P8356**, via the RFP Web Portal. Please review for accuracy and, if necessary, log back in to the RFP Web Portal to make any necessary changes.
