**2022 EML Fall Renewables RFP
Notice of Release of RFP Documents, Bidder Conference, and Bidder Registration**

Entergy Mississippi, LLC (“EML”), has issued documents for the 2022 Fall Request for Proposals for Renewable Resources for Entergy Mississippi, LLC (“2022 EML Fall Renewables RFP”). The documents are available on the 2022 EML Fall Renewables RFP Website, <https://spofossil.entergy.com/ENTRFP/SEND/2022EMLFallRenewablesRFP/Index.htm>

Bidders Conference:

The Bidders Conference is scheduled for December 6, 2022, from 9 – 11 a.m. CPT. Bidders are strongly encouraged (but not required) to participate in the Bidders Conference. ESL requests that participating organizations register for the Bidders Conference no later than December 5, 2022, via the RFP inbox, EMLRenewablesRFP@entergy.com (“RFP Inbox”). The registration notice should specify the name of the participating organization, as well as the name, title, email address, and contact telephone number(s) of each individual representing the participating organization at the Bidders Conference. Once a registration notice for a conference participant is received, the Bid Event Coordinator will provide the dial-in/Webex meeting details to the registered participant(s). After the Bidders Conference, ESL will post the written materials presented during the conference to the 2022 EML Fall Renewables RFP Website.

EML encourages bidders to submit RFP related questions they desire to have addressed at the Bidders Conference in writing to the Bid Event Coordinator via the RFP Inbox and the Independent Monitor via email (MerrimackIM@merrimackenergy.com) (“IM Inbox”) in advance of the Bidders Conference.

To allow ESL and EML adequate time to prepare their responses for presentation at the Bidders Conference, we ask that questions be submitted no later than December 1, 2022. Questions submitted after December 1, 2022, may not be addressed during the Bidders Conference. However, written responses to questions not addressed during the conference will be provided and, subject to limited exceptions, posted on the RFP website’s “QA” section, along with those addressed during the conference.

Bidder Registration:

To be eligible to submit a proposal, Bidder must complete the Bidder Registration Process during the Bidder Registration Period. To register for the 2022 EML Fall Renewables RFP, Bidders must submit a completed Bidder Registration Form and Agreement to the Bid Event Coordinator via the RFP Inbox, copying the Independent Monitor via the IM Inbox, by the Bidder Registration Deadline. Bidder Registration is scheduled to begin at 8:00 a.m. CPT on January 3, 2023, and to be available until 5:00 p.m. CPT on January 6, 2023. Questions can be submitted to the Bid Event Coordinator, copying the Independent Monitor, at their respective email addresses referenced above, throughout the Bidder Registration Period. Please review Section 6.2 of the Main Body of the 2022 EML Fall Renewables RFP before submitting any questions.

Terms used but not defined in this notice have the meaning ascribed to them in the 2022 EML Fall Renewables RFP.

Please monitor the 2022 EML Fall Renewables RFP Website for further information about the 2022 EML Fall Renewables RFP. Thank you for your interest in the 2022 EML Fall Renewables RFP.
