

Notice of Bidder Registration

In order to participate in ESIs 2010 Renewable RFP, each Bidder must complete the Bidder Registration process. Each Bidder must electronically complete Bidder Registration via the [RFP Web Portal](#) and submit an executed [Bidder Registration Signature Page](#) as part of the Bidder Registration Process. To access the RFP Portal, please click the following link:

<https://esirfp.energys.com>

Bidder Registration will be available from 8:00 a.m. CPT on January 10, 2011 to 5:00 p.m. CPT on January 13, 2011. The Bidder registration information submitted via the RFP Web Portal will not be deemed complete until bidder submits an executed version of the signature page by no later than 5:00 p.m. CPT on January 13, 2011.

The following resources have been provided to assist Bidders in the registration process:

[Appendix B - Detailed Instructions for Bidder Registration and Proposal Submission](#)

[Web Portal Overview - Bidder Registration](#)

In addition, ESI will have a dedicated RFP Hotline available from 8:00 a.m. CPT on January 10, 2011 to 5:00 p.m. CPT on January 13, 2011 to assist Bidders only with respect to technical questions regarding Bidder Registration. The number for the RFP Hotline is 281-297-3758.

Please note that the RFP Web Portal is best viewed with Internet Explorer 7 or above.
